DETAILED ACTION

Allowable Subject Matter

1. Claims 1, 3-5, 7-14, 19, 21-23, 25-32, and 38 are allowed.
2. The following is an examiner's statement of reasons for allowance:

The cited prior arts fails to disclose or suggest a method supporting access to stored information including enabling access to a first portion of the received user-selected content data in the storage location for selective retrieval, while disabling access to a second portion of the received user-selected content data in the storage location; generating a graphical user interface for displaying an itemized list of accessible user-selected content data in the storage location, the accessible user-selected content data being selectively retrieved by a user for playback in real-time; disabling user access to user-selected content data in the storage location associated with the de-selected content item; enabling user access to a different portion of user-selected content data in the storage location previously inaccessible to the user; wherein disabling access to the second portion comprises forbidding a user from playing the second playable work, the second playable work otherwise being in a condition suitable to be played; and in conjunction with all other limitations in the claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably

accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
